- **Icing:**
- 1/4 cup butter, softened
- 2 cups icing sugar
- 1/4 cup Carnation® Regular, 2% or Fat Free Evaporated Milk

Evaporated Milk

- 1/2 tsp vanilla extract
- Colourful sprinkles and any other of your favourite toppings for rolling

Directions

Step 1:

Preheat oven to 350°F (180°C). Grease an 8" x 8" (2 L) baking dish with butter. This will keep your batter from sticking to the dish.

Step 3:

Beat shortening and sugar, in a medium bowl, until light and fluffy. Add egg and vanilla and beat well.

Step 4:

Combine flour, baking powder and salt in a separate large bowl. Add half of flour mixture to wet ingredients. Add evaporated milk and then remaining dry mixture. Mix well. Pour batter into prepared dish.

Step 5:

Bake in preheated oven 30 minutes, or until a toothpick inserted in centre of cake comes out clean. Remove from oven and let cool.

Step 7:

Place all ingredients in small bowl of electric mixer. Beat well until smooth.

Step 8:

Place cake, when cold, in a large bowl. With clean fingers, a pastry blender or fork, crumble the cake into small crumbs.

Step 9:

Stir in icing and keep smushing away. The icing will make the cake crumbs stick together. Once completely incorporated, place a tbsp (15 mL) of mixture into the palm of your hand and roll into balls.

Step 10:

Decorating time! Roll your pops into the sprinkles and other toppings of your choice.
